Monday 18 November 2019

Dear Parents / Carers

The flooring underneath the apparatus outside the year 1 classroom is being replaced this week. The work will be done during the school day and the area will be cordoned off so the children are safe.

However, it will affect where the children can be collected from at the end of the school day. Both year 1 classes will need to be collected from 1A, Mrs Lovick's classroom.

We expect the building works to be completed this week, so these arrangements will be in place until Monday 25 November, when you will be able to collect your child from their normal place again.

Sorry for any inconvenience caused during this time.

Yours sincerely

Vicky Simmons
Deputy Headteacher
