Woodlands Primary Academy

EYFS

Curriculum Goals

Communication & Language

To become a confident communicator who can listen carefully in a range of situations, hold a conversation with friends and adults, ask relevant questions, and use new vocabulary to explain ideas and feelings.

Personal, Social & Emotional Development

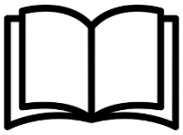
- To be a kind and confident individual who shows an awareness of their own and others' feelings.
- To show confidence in their own abilities and set simple goals.
- To build positive relationships with friends and adults.
- To manage their own personal needs, including how to stay fit and healthy.

Physical Development

- To move confidently and safely in a range of different ways showing strength, balance and co-ordination.
- To use a range of equipment competently and with control.
- To hold a pencil effectively for writing.

Reading

- To develop a love of reading.
- To use new vocabulary to talk about what they have read.
- To decode and read words and simple sentences using their phonics knowledge.

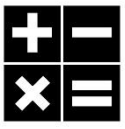


Writing

- To write letters, most of which are formed correctly.
- To write words and simple sentences that can be read by others.

Maths

- To develop a deep understanding of numbers to 10.
- To be able to recognise numerical patterns.
- To subitise and compare quantities.
- To recall number bonds to 5.



Understanding the World

To show curiosity about the world and to show care towards the environment and living creatures.
To be respectful of others' beliefs, traditions, and cultures.

Expressive Arts and Design

To develop creativity and artistic awareness through exploration of a wide range of media and materials.
To develop imagination through storytelling and roleplay.
