

## Homework for Year 2 – Spring Term 2

### **WEEKLY HOMEWORK**

Here is a list of the homework for you to do **each week**:

- Daily reading, please log this on Boom Reader; if you have lost your password. please speak to the class teacher.
- Weekly spellings – these will be given on Thursday's and tested the following week. The children have been given a login to Spelling Shed where they are expected to complete three spelling games each week. Please feel free to continue learning spellings in your usual way too.
- TT Rockstars, please try to play on this at least twice a week. If you need a reminder of your password, please ask your class teacher.

These are the maths skills for this **half-term**:

#### Multiplication and Division

- recall and use multiplication and division facts for the 2, 5 and 10 multiplication tables, including recognising odd and even numbers.
- calculate mathematical statements for multiplication and division within the multiplication tables and write them using the multiplication ( $\times$ ), division ( $\div$ ) and equals ( $=$ ) signs
- show that multiplication of 2 numbers can be done in any order (commutative) and division of 1 number by another cannot.
- solve problems involving multiplication and division, using materials, arrays, repeated addition, mental methods, and multiplication.

#### Fractions

- recognise, find, name and write fractions  $\frac{1}{3}$ ,  $\frac{1}{4}$ ,  $\frac{2}{4}$ , and  $\frac{3}{4}$  of a length, shape, set of objects or quantity
- write simple fractions for example,  $\frac{1}{2}$  of  $6 = 3$  and recognise the equivalence of  $\frac{2}{4}$  and  $\frac{1}{2}$

### **Optional TOPIC HOMEWORK**

Please see the separate sheet for additional optional tasks that link to our topic, 'Here and There', this half term.
