

Homework for Year 6
Spring Term 2

Weekly Homework:

- Reading at least 5 times per week – write in reading records
- Weekly spellings (Sheet sent home)
- Times Tables Rockstars – battles will be set.
- CGP books (Maths, GPS and Reading) – pages set weekly

Skills to practise over the half term:

- The four core operations using formal methods (+, -, ÷, x)
- Multiplication and division facts up to 12 x 12.
- Square and cube numbers
- Solve number and practical problems (finding a total when shopping, working out change, measuring, weighing, percentages – 50% off)
- Handwriting
- Discussion with individuals in your household about books (Likes/dislikes/ favourite genre/favourite characters/facts from a non-fiction book)
- **Using decimals – 4 operations with money.**
- Inferring character's thoughts, feelings and actions – can they discuss how a character is feeling or what they are thinking based on what they have read?
