

RELAXING READING

Find out about the Roman ruins in the local area by finding a copy of 'A History of Norfolk in 100 places' by David Robertson. It is available at your local library!

RAMPAGING ROMANS

Who was the Queen of the Iceni and what is her connection to Norfolk and Suffolk? Find out and make a fact sheet which shows the information you have found.

SUPER SCIENTIST

The Romans were the first people to use plumbing! Can you use household objects to transport water from one side of a room to the other?

Spring 2

This homework is optional. Please choose an activity/activities if you would like to. We would love to see what you have done so please bring it in to share with your class teacher.

CLEVER CONVERSATION

What does your family know about the Romans? Ask the members of your family to tell you what they think they know about them. Then, when you have learnt more about them in school, go back and tell them how much they actually know!

Rampaging Romans

AMAZING ARTS

Look at the mosaic work of the Romans. What types of images did they represent? Use squares and rectangles of paper to re-create a mosaic which shows what is important in your life!

WONDERFUL WRITING

Can you imagine what it would be like to live in Roman times? Think of all the things you wouldn't be able to do – no games consoles or internet! Think back to the Stone Age Boy story and write your own version with a character who goes back to Roman times. Why would they find it difficult? What happened to them?

ALL AROUND THE WORLD

The Romans came from Italy when they invaded our country. Use maps and Google Earth to find the places they landed in the UK. Are there any near you? Where are they? Draw a map of the UK and label the Roman's landing points.

MARVELOUS MATHS

Before the Arabic numbers we use today, most of the world used Roman numerals. They don't look much like today's numbers! Find out about Roman numerals and then try to write some numbers using them. You could even write important days like your birthday!
